

ORDINANCE NO. \_\_\_\_\_

AN ORDINANCE to amend and reordain the Master Plan of the City of Alexandria, Virginia, by adopting and incorporating therein the amendment heretofore approved by city council to the Potomac West Small Area Plan chapter of such master plan through the Oakville Triangle & Route 1 West Corridor and Vision Plan Overlay as Master Plan Amendment No. 2020-00003 and no other amendments, and to repeal all provisions of the said master plan as may be inconsistent with such amendment.

WHEREAS, the City Council of the City of Alexandria finds and determines that:

1. In Master Plan Amendment No. 2020-00003, the Planning Commission, having found that the public necessity, convenience, general welfare and good zoning practice so require, recommended approval to the City Council on December 1, 2020 of an amendment to the Potomac West Small Area Plan Chapter of the Master Plan of the City of Alexandria to update the Oakville Triangle & Route 1 West Corridor and Vision Plan Overlay to facilitate redevelopment of the 12.8 acre Oakville Triangle site, including the Inova Healthplex, through an amendment to land uses, heights, framework streets, and location of open spaces within District 2 (Oakville Triangle), which recommendation was approved by the City Council at public hearing on December 12, 2020;

2. The said amendment has heretofore been approved by the planning commission and city council after full opportunity for comment and public hearing.

3. All requirements of law precedent to the adoption of this ordinance have been complied with; now, therefore,

THE CITY COUNCIL OF ALEXANDRIA HEREBY ORDAINS:

Section 1. That the Potomac West Small Area Plan Chapter of the Master Plan of the City of Alexandria, be, and the same hereby is, amended by making the changes indicated in on the following pages, attached hereto and incorporated fully herein by reference, as a new chapter of the Master Plan of the City of Alexandria, Virginia.

Section 2. That the director of planning and zoning be, and hereby is, directed to record the foregoing master plan amendment as part of the Master Plan of the City of Alexandria, Virginia.

Section 3. That all provisions of the Master Plan of the City of Alexandria, Virginia, as may be inconsistent with the provisions of this ordinance be, and same hereby are, repealed.

Section 4. That the Master Plan of the City of Alexandria, as amended by this ordinance, be, and the same hereby is, reordained as the Master Plan of the City of Alexandria, Virginia.

Section 5. That the city clerk shall transmit a duly certified copy of this ordinance to the Clerk of the Circuit Court of the City of Alexandria, Virginia, and that the said Clerk of the Circuit Court shall file same among the court records.

Section 6. That this ordinance shall become effective upon the date and at the time of its final passage.

JUSTIN WILSON  
Mayor

Introduction: 1/12/21

Publication:  
Public Hearing: 1/23/21  
Second Reading: 1/23/21  
Final Passage: 1/23/21

## Oakville Plan updates as amended:

- a. Updates to text as provided below. *Deleted text is shown with a ~~strikethrough~~. Revised or additional text is underlined.*

P.9:

- Amend the vision statement, as follows: The Plan envisions a future Oakville Triangle/Route 1 Corridor that is compatible with the fabric of existing neighborhoods, features an enhanced Mount Jefferson Park/Trail, and a blend of new and existing open spaces and land uses unified by an attractive urban streetscape. High quality architecture and urban design celebrate the area's industrial heritage, and new development includes a diversity of residential, office, hotel, medical care facility, and regional and neighborhood-serving retail uses, as well as an emerging "maker" economy. New development capitalizes on nearby transit by concentrating height at transit stops and in close proximity to ~~the future~~ Potomac Yard Metrorail Station, while ensuring compatibility with surrounding neighborhoods. As an inclusive neighborhood, the area provides housing options affordable to a range of incomes and welcoming to different household types. Residents, workers, and visitors walk and bike within the Plan area and to adjoining neighborhoods.

P.11:

- Amend the second column of text, as follows: New development will be required to provide usable ground level public open spaces, including, but not limited to, ~~three new public open spaces~~ a new .7 acre central public open space within Oakville Triangle to build on and visually connect to the Mount Jefferson Park, as well as expansion of the existing Ruby Tucker Park to create a larger public open space in the northern portion of the Plan area. A ~~new hardscape plaza~~ new central open space in Oakville Triangle will provide a public gathering space for daily enjoyment and special events for residents and visitors, new and old. In addition, larger projects will provide rooftop amenity space to ensure adequate opportunity for new residents' access to the outdoors, designed to be compatible with and to minimize light and noise impacts on the adjoining neighborhoods.

P.14:

- Amend Recommendation 1.13, as follows: A pedestrian and bike connection between Swann Avenue and Stewart Avenue to provide connectivity between the neighborhoods and the future Potomac Yard Metrorail station. ~~The bike lane within the central urban plaza within the Oakville Triangle site will be designed as a shared space.~~
- Amend Recommendation 1.17, as follows: ~~An additional signalized pedestrian crossing across Route 1 between East Custis Avenue and East Glebe Road to improve pedestrian access between Oakville Triangle and Del Ray/Lynhaven and the future Potomac Yard Metrorail station.~~ An additional signalized crossing across Route 1 at Fannon Street, including pedestrian and intersection improvements, to improve pedestrian access

between Oakville Triangle and Del Ray/Lynhaven and the Potomac Yard Metrorail station and provide efficient access to the medical care facility.

P.17:

- Amend Recommendation 1.13, as follows: A pedestrian and bike connection between Swann Avenue and Stewart Avenue to provide connectivity between the neighborhoods and the future Potomac Yard Metrorail station. ~~The bike lane within the central urban plaza within the Oakville Triangle site will be designed as a shared space.~~

P.18:

- Amend Recommendation 1.17, as follows: ~~An additional signalized pedestrian crossing across Route 1 between East Custis Avenue and East Glebe Road to improve pedestrian access between Oakville Triangle and Del Ray/Lynhaven and the future Potomac Yard Metrorail station.~~ An additional signalized crossing across Route 1 at Fannon Street, including pedestrian and intersection improvements, to improve pedestrian access between Oakville Triangle and Del Ray/Lynhaven and the Potomac Yard Metrorail station and provide efficient access to the medical care facility.

P.19:

- Add as a new bullet: Installation of traffic signal, pedestrian, and intersection improvements at Fannon Street and Route 1.

P.22:

- Amend Note 1, as follows: 1. Gross Floor Area (GFA) is defined as the sum of all gross horizontal areas under a roof or roofs. These areas are measured from the exterior faces of walls or from the centerline of party walls. Elevator and stair bulkheads, multi-story atriums and similar volumetric construction, not involving floor space are excluded. Below grade parking structure is excluded. See notes K and L on page 23 for blocks 4-7.
- Amend Note 4, as follows: 4. For lots identified in the Plan with maker spaces on all four street-facing facades, if not feasible to provide maker spaces on all four sides, a minimum of 3 street-facing facades shall be used to provide maker spaces.
- Amend Note 10, as follows: 10. Conversion rate from GFA sf to dwelling unit = 940 sf The final number of units to be determined at time of DSUP.
- Add Note 12, as follows: 12. Hotel use may be permitted within the Plan area. The final location shall be determined during the DSUP process.

P.23:

- Amend Note a, as follows: a. Based on heights in the approved Oakville Triangle & Route 1 Corridor Vision Plan, as amended October 2015. If greater heights are allowed, maximums may be increased to the approval of PC & CC.
- Amend Note m, as follows: m. Development (sf) based on Preliminary CDD Concept Plan ~~CDD2014-0002 submission 10/29/15~~ as amended.
- Amend Note q, as follows: q. ~~Townhouses shall be liner units or as generally depicted per the approved CDD Concept Plan CDD2014-0002~~ Final design and configuration of townhouses will be determined during the DSUP process.
- Amend Note r, as follows: r. As per all blocks, required retail identified in the plan at ground floor locations is required. Non-ground floor retail may be converted to an alternate use through the DSUP process.

P.25:

- Amend the first column header, as follows: PHASE 1\* - OPERATIONAL PRIOR TO 800,000 SQ. FT. (NET WITHOUT PARKING)
- Amend the first note in the first column, as follows: 1 - Signal modifications at Route 1 and E. Reed Ave\* (with North Potomac Yard first building)
- Add a note to the first column, as follows: 8 - New signalized intersection improvements and pedestrian crossings at Route 1/Fannon Street
- Amend the fifth note in the second column, as follows: 8 - Pedestrian crossing across Route 1 ~~(at Fannon St. or Raymond Ave)~~
- Delete the first note in the third column, as follows: 9 - ~~Improvements at Route 1/ E. Glebe (Phase 2)~~

P.26:

- Amend the last row of text in the chart of Non-Transportation Improvements, as follows: Open Space: Consideration in the Plan's phasing ensures that sufficient, consolidated, high quality open space is provided based on planned development. On-site open space is required for the Oakville site consistent with the Plan. Significant on-site open spaces ~~(e.g. Swann Plaza)~~ are required to be provided with adjacent development blocks.

P.27:

- Amend the first row of text in the chart of Non-Transportation Improvements, as updated. Timing for initiation and completion of park improvements is specified in the CDP for the Oakville Triangle site. Improvements shall be fully constructed ~~and accepted by the City~~ in accordance with CDD conditions prior to issuance of first Certificate of Occupancy for any building in the CDP area, or within a maximum 24 months of issuance of permit to demolish any building or structure in or adjacent to Park (whichever is earlier).

P.32:

- Amend recommendation 2.5, as follows: Provide a ~~central public urban plaza~~ new central public open space within Oakville Triangle that includes usable amenities that help to meet the recreational needs of new residents.
- Amend recommendation 2.6, as follows: Provide ~~five~~ four new ground level public green spaces adjacent to Mount Jefferson Park.

P.37:

- Amend the column of text, as follows: Establishing the street grid will visually unify this approximately 15-acre district. The defining elements of this neighborhood will be the adjoining Mount Jefferson Park frontage and the centrally located ~~public urban plaza~~ ± 31,200 sq. ft. public open space. The building height and setback of the buildings have been designed to step down to the adjoining Mount Jefferson Park and single-family homes to the west. The centrally located ~~±21,000 sq. ft. public open space~~ will need to be configured to accommodate events, ~~and programming, and social gatherings~~. ~~Swann Avenue is intended to provide retail shopping through the provision of a significant amount of ground floor retail.~~ Calvert Avenue is intended to be an area where some of the existing neighborhood-serving or “maker uses” could be located. Calvert Avenue is also intended to be more “industrial” in design and character. Park Road is intended to be smaller scale 30’-45’ tall townhouses with front porches and architectural elements and materials compatible with Del Ray. The district is intended to be a mix of building types and uses ranging from townhouses, multi-family, office, hotel buildings, medical care facility, and retail and maker space.

P.51:

- Amend Standard 41, as follows: The intersection of Glebe Road and Route 1 will need to be reconfigured as generally depicted within the attached cross-sections. ~~The timing and phasing of the improvements will be established as part of the CDD zoning for the Plan area.~~ Funding will be proposed as part of the Oakville Plan CDD for the improvements.
- Amend Standard 4.5iii, as follows: A maximum of one curb cut per block face shall be permitted on each side of the street. To the extent possible, curb cuts should be aligned with curb cuts on the opposite side of the street. Offset curbs may be permitted, where it is deemed necessary. Additional curb cuts may be considered as part of the DSUP process.

P.56:

- Amend the text under Active Uses in the third column, as follows: Active uses are specified on the ground level or frontages of many blocks in the Plan area to ensure a vibrant public realm. For purposes of the Design Standards, active uses shall be residential, office, medical care facility, retail, maker, and/or hotel uses.

P.57:

- Amend the header in the first column of text, as follows: ~~PRIMARY RETAIL:~~

- Amend the first column of text, as follows: For purposes of the Design Standards, primary retail is intended as retail uses and ~~restaurants~~ personal service uses. Final uses and requirements are specified with the CDD zoning ~~for the Plan area and on pg 58.~~
- Delete the header and second column of text, as follows: ~~SECONDARY RETAIL:~~
- ~~For purposes of the Design Standards, secondary retail is a combination of retail, maker uses and personal service uses. Final uses and requirements are specified with the CDD zoning for the Plan area and on pg 58.~~

P.58:

- Amend the header in the first column of text, as follows: **PRIMARY RETAIL**
- Amend the Intent text in the first column, as follows: Intent: For the purposes of the Oakville Triangle/Route 1 Corridor Plan Area, the areas designated for “~~primary retail~~” are intended to achieve an experiential environment, where shopping, dining, and other establishments engage pedestrians and activate the street front with attractive, unique storefronts. Generally, this includes restaurants, personal service uses, and retail as defined in the CDD. ~~As shown on the Land Uses Map, the area designated for primary retail is Swann Avenue within Oakville Triangle, with some additional primary retail designated for north and south of Swann on Oakville Street and Route 1. Examples of Primary Retail include restaurants, coffee shops, bakeries, gourmet food, home and fashion retail, and interactive establishments such as cooking or other experiential schools.~~
- Amend the Allowed Uses text in the first column of text, as follows: Allowed Uses: For the purposes of the Plan area, Primary Retail is defined to include:
  - Restaurants
  - Personal service uses
  - Retail shopping establishments ~~(excluding uses detailed below)~~
- Amend the Excluded Uses in the second column of text, as follows: ~~Excluded Uses: For the purposes of the Plan, the following uses are considered incompatible with the intent of Primary Retail:~~
  - ~~Excluded retail shopping establishments: Appliances, Auto parts without service or installation on premises, Drugstores, lawn and garden supplies, Variety Goods~~
  - ~~Personal service establishments~~
- Delete the header and the second column of text, as follows: ~~SECONDARY RETAIL~~
- ~~Intent: For the purposes of the Oakville Triangle/Route 1 Corridor Plan Area, the areas designated for “secondary retail” are intended to achieve a neighborhood serving and personal services retail environment, where frequent shopping, repair, or service needs can be met. The main area designated for secondary retail is on Calvert Avenue, where there is also a significant degree of overlap with Maker Space Use (Figure 7).~~
- Delete the text in the second and third columns, as follows: ~~Allowed Uses: For the purposes of the Plan area, Secondary Retail is defined to include:~~
  - ~~Retail~~

- ~~○ Personal service uses (excluding uses detailed below) Amusement enterprises~~
- ~~○ Restaurants~~

~~Additional Uses: Other uses consistent with the neighborhood-serving intent of the Plan herein, may be allowed at the discretion of the Director of Planning and Zoning.~~

~~Excluded Uses: For the purposes of the Plan area, Secondary Retail may not include the following:~~

- ~~○ Retail shopping establishments shall not include appliance stores and auto parts stores~~
- ~~○ Personal service uses shall not include appliance repair and rental, contractors' offices, laundromats, and pawnshops~~

P.66:

- Delete the second and third bullet in the second column of text, as follows:
  - ~~Five additional open spaces adjacent to Mount Jefferson Park, ranging in size from ±4,400 sq. ft. to ± 21,000 sq. ft.~~
  - ~~: A ± 21,000 sq. ft. central urban square within the Oakville Triangle.~~
- Add fourth bullet in the second column of text, as follows: A central .7 acre public park in Oakville Triangle.
- Amend the second bullet in the third column of text, as follows: Mixed-use projects (with ground floor retail - commercial) will include a minimum of 15% 20% ground level open space and 25% roof-top amenity space as part of redevelopment with a total of 40% on-site open space to include rooftop-amenity space as part of redevelopment.

P.67:

- Amend the header in the first column of text, as follows: OAKVILLE URBAN PLAZA CENTRAL OPEN SPACE
- Amend the text in the first and second columns, as follows: The central urban plaza will be hardscape with appropriate plantings, shade options, and lighting. High quality materials and finishes, as well as the inclusion of public art or other focal features, ensure this space will be a great amenity. The plaza will be a shared space for pedestrians and bikes. The central .7 acre open space is intended to be a combination of multiple outdoor "Rooms" for multigenerational programing, including but not limited to an outdoor meeting space, lawn area, children's play area and sustainability features and public art. The materiality of the park will also incorporate the industrial heritage of the site through materials such as wood, stone, weathered metal, etc.

P.69:

- Amend text, as follows: These open spaces will range from front yards and courtyards to a new public open spaces and an urban plaza on Swann Avenue.

P.70:

- Amend Standard 4.18, as follows: ~~The five~~ new open spaces adjacent to Mount Jefferson Park shall be constructed as generally depicted in Figure 30, as part of the redevelopment

adjacent to the Mount Jefferson Park. The at grade trail (lower trail) extension on the northern portion shall be constructed by the adjoining property owner.

- Amend Standard 4.19, as follows: The central open space within Oakville Triangle shall ~~be hardscape with~~ have appropriate plantings, shade options, and lighting and shall contain high-quality materials and finishes, as well as the inclusion of public art or other focal features. The open space/~~plaza~~ shall be accessible to the public through the provision of a public access easement.
- Amend Standard 4.23, as follows: New mixed-use projects (with ground floor retail-commercial) shall provide a minimum of ~~15%~~ 20% ground level open space and ~~25% roof-top amenity space.~~ with a total of 40% on-site open space to include rooftop-amenity space as part of redevelopment.

P.74:

- Amend Standard 5.2, as follows: The streetwall shall generally be parallel to the street and at a minimum height as required herein. The streetwall for each block frontage shall be a minimum of 75% for residential, medical care facility, and office and hotel. For residential buildings where courtyards are provided, the streetwall shall be a minimum of 50%. A courtyard shall be limited to a maximum of two block frontage. Ground floor retail and maker uses shall provide a minimum of 85% continual streetwall.

P.81:

- Amend Standard 5.25, as follows: A minimum of 50% of each group of townhouses for each project shall provide a front porch. The porches shall comply with the applicable requirements herein. Final location of porches will be determined during the DSUP process.

P.99:

- Amend the title of Figure 41, as follows: Figure 41: Ground Floor Uses: ~~Primary, Secondary~~ Retail, and Maker Spaces

P.113:

- Amend Standard 8.3, as follows: All streets within the Plan are intended to be public streets, dedicated to the City or private with public access easements. ~~unless otherwise noted the property line is assumed to be at the edge of the right-of-way (ROW) as defined herein.~~

P.121:

- Amend the Typology header text, as follows: TYPOLOGY: ~~SHARED STREET~~ NEIGHBORHOOD RESIDENTIAL

P. 130:

- Amend recommendation 1.13, as follows: A pedestrian and bike connection between Swann Avenue and Stewart Avenue to provide connectivity between the neighborhoods

and the future Potomac Yard Metrorail station. ~~The bike lane within the central urban plaza within the Oakville Triangle site will be designed as a shared space.~~

- Amend recommendation 1.17, as follows: ~~An additional signalized pedestrian crossing across Route 1 between East Custis Avenue and East Glebe Road to improve pedestrian access between Oakville Triangle and Del Ray/ Lynhaven and the future Potomac Yard Metrorail station.~~ An additional signalized crossing across Route 1 at Fannon Street, including pedestrian and intersection improvements, to improve pedestrian access between Oakville Triangle and Del Ray/Lynhaven and the Potomac Yard Metrorail station and provide efficient access to the medical care facility.

P.131:

- Amend Standard 2.5, as follows: Provide a new central public ~~urban plaza~~ open space within Oakville Triangle that includes usable amenities that help to meet the recreational needs of new residents.
- Amend Standard 2.6, as follows: Provide ~~five~~ four new ground level public green spaces adjacent to Mount Jefferson Park.

P. 132:

- Amend Standard 4.1, as follows: The intersection of Glebe Road and Route 1 will need to be reconfigured as generally depicted within the attached cross-sections. ~~The timing and phasing of the improvements will be established as part of the CDD zoning for the Plan area.~~ Funding will be proposed as part of the Oakville Plan CDD for the improvements.
- Amend Standard 4.5iii, as follows: A maximum of one curb cut per block face shall be permitted on each side of the street. To the extent possible, curb cuts should be aligned with curb cuts on the opposite side of the street. Offset curbs may be permitted, where it is deemed necessary. Additional curb cuts may be considered as part of the DSUP process.

P.133:

- Amend Standard 4.18, as follows: ~~The five~~ new open spaces adjacent to Mount Jefferson Park shall be constructed as generally depicted in Figure 30, as part of the redevelopment adjacent to the Mount Jefferson Park. The at grade trail (lower trail) extension on the northern portion shall be constructed by the adjoining property owner.
- Amend Standard 4.19, as follows: The central open space within Oakville Triangle shall ~~be hardscape with~~ have appropriate plantings, shade options, and lighting and shall contain high-quality materials and finishes, as well as the inclusion of public art or other focal features. The open space/~~plaza~~ shall be accessible to the public through the provision of a public access easement.

P.134:

- Amend Standard 4.23, as follows: New mixed-use projects (with ground floor retail-commercial) shall provide a minimum of ~~15%~~ 20% ground level open space ~~and 25%~~

~~roof-top amenity space, with a total of 40% on-site open space to include rooftop-amenity space as part of redevelopment.~~

- Amend Standard 4.34, as follows: As part of the new multi-family, office, medical care facility, or hotel buildings, explore providing a community meeting space within each building.

P.135:

- Amend Standard 5.2, as follows: The streetwall shall generally be parallel to the street and at a minimum height as required herein. The streetwall for each block frontage shall be a minimum of 75% for residential, medical care facility, and office and hotel. For residential buildings where courtyards are provided, the streetwall shall be a minimum of 50%. A courtyard shall be limited to a maximum of two block frontage. Ground floor retail and maker uses shall provide a minimum of 85% continual streetwall.

P.137:

- Amend Standard 5.25, as follows: A minimum of 50% of each group of townhouses for each project shall provide a front porch. The porches shall comply with the applicable requirements herein. Final location of porches will be determined during the DSUP process.

P.146:

- Amend Standard 8.3, as follows: All streets within the Plan are intended to be public streets, dedicated to the City or private with public access easements. ~~unless otherwise noted the property line is assumed to be at the edge of the right-of-way (ROW) as defined herein.~~
