

City of Alexandria, Virginia

# Options for Offsite Council Meetings

City Council Legislative Meeting  
February 23, 2021

# Physical Building Criteria

## Building and Air Handling

Newer buildings with more modern airflow rated higher than older buildings that are retrofitted or have limited outside air access

<b>Good</b>	<b>Modern air handling and access to outside air</b>
<b>Workable</b>	<b>Some challenges to Access and maintaining distance</b>
<b>Challenging</b>	<b>Older systems or challenges with ensuring safer access to seats</b>

# Cost Criteria

## Cost to Provide Services

Cost to provide audio and cable broadcast services

\$	Primary cost is PPE and sanitation supplies
\$\$	Primary cost includes broadcast and PPE
\$\$\$	Cost includes broadcast, video and PPE

# Availability Criteria

## Availability or conflict with other COVID activities

- School sites require continued monitoring for both in person classes and vaccination use.
- City sites require some coordination with other potential COVID or school needs.

None	City government has full control of facility and limited conflicts
Moderate	Some competition with COVID uses and school needs
Minimal	Reservation is needed to confirm
High	Currently used for COVID or school needs

# Location “Short List”

Location	Building and Air handling	Cost to Provide Services	Availability or Conflict
City Hall	Challenging	\$	None
Offsite Hotels	Good	\$\$\$	Minimal
High School	Good	\$	High
Patrick Henry	Workable	\$\$	Moderate
Lee Center	Workable	\$	Moderate
