Re: Consideration of a request for a vacation of public right-of-way on Oakville Street

Dear Ms. Sitton:

Pursuant to the authorization given to Mayor Justin Wilson at the City of Council Public hearing meeting, we the undersigned were appointed as viewers to view the public right-of-way property on Oakville Street that is apart of the CDD#24/Coordinated Development District #24.

We have viewed the property and it is our opinion that the vacation and discontinuation of the public right-of-way would not cause any inconvenience or harm to the public as a part of the larger development. Furthermore, we agree with the Planning Commission and staff recommendation for the approval of this request for vacation subject to compliance with the conditions detailed in the staff report and all applicable City codes and ordinances.

Sincerely,

Matthew Stensrud
