Interests & Experiences

Statement of Interest/Why You Should Be Appointed

I want to join the Beautification Commission for the following reasons: 1) Over the years, I had the opportunity to live in some amazing cities. I grew up in Mumbai, India which is one of the most populated cities in the world but also one of the most beautiful with mountains on one side and ocean on the other. In the US, I have lived in cities like Capitola and Irvine on the west coast. These cities were well managed and great to live in. I feel my experience in living in such cities will bring great value to the board 2) I have interest in art and aesthetics. Since 2015, I have been taking classes at the Art League in sculpting, drawing, photography, etc. Being on this board will allow me to put my skills to practical use. 3) I am very passionate about the city I live in and I am a proud resident of Alexandria. I want to be part of making Alexandria more beautiful.

Interests & Experiences**Statement of Interest/Why You Should Be Appointed**

The Alexandria Commission On HIV/AIDS (ACOHA) is truly one of its kind in Northern Virginia. As a member since 2015 and the current Chairperson I bring with me my continued passion for making sure my fellow persons are given all opportunities to live a healthy and well being life. This is a commission that I want to continue to be apart of because of its close relations with Inova Health System and the Juniper Program. I represent both of these organizations as a Program Outreach Administrator and in my capacity as a person whose passion is to help others, my interest peaked when I heard of the openings. I should be as re-appointed to this commission due to: 1. My willingness to want to be a person who informs the community about HIV/AIDS 2. My goals to make sure all community members know that there are resources available to educate, make aware, treat, and prevent HIV/AIDS 3. My role as a community leader who goes above and beyond the call of duty to assist others. 4. Making it known to the City Council, the people, and organizations in Alexandria, on how their understanding to those who have HIV/AIDS is essential. I look forward to consideration and confirmation as I look forward to continuing as a vital and resourceful commissioner.

Through my civic and community affiliations, I have been an advocate for the celebration, protection and preservation of the historic heritage which is uniquely Alexandria's; and as a citizen, I, my family, friends and visitors have been the beneficiaries of that heritage. I have been a member of Old Town Civic Association continuously since 2001. I previously served for four years as a member of HARC, a term which I was not able to continue for reasons of health. I was appointed to a new term two years ago. I would be honored to be appointed once again to the Commission and through that service to broaden and extend my commitment to the preservation of Alexandria's extraordinary historic resources.
