PROJECT LOCATION MAP

I. DISCUSSION

The applicant, Inova Health Care Services, requests approval for an encroachment into the public right-of-way at 2412 and 2514 Richmond Highway and 2500 Oakville Street to allow for two free-standing signs for the future Healthplex.

SITE DESCRIPTION

The subject property, Parcel 708, is one lot of record with 484 feet of frontage on Richmond Highway and the future Oakville Street, a depth of 258 feet along Swann Avenue and Fannon Street, and a lot area of 125,146 square feet, or approximately 2.87 acres. Parcel 708 will be divided through a land condominium into a northern parcel, known as A1 which will be a multi-family building, and a southern parcel, known as A2 will be the Inova Healthplex. The two uses will share an underground garage which will span the full lot area.

The Inova Healthplex (A2) will have 154 feet of frontage along Richmond Highway on the east and Oakville Street on the west, and 259 feet of frontage along Fannon Street to the South. The northern border will be formed by the adjacent multi-family building. The primary building entrance for the Healthplex will be from Fannon Street in the south, while ambulance access and vehicular access to the underground parking garage will be from the west, along Oakville Street.

Current uses on site include surface parking, auto services, and warehouse uses. The site is primarily surrounded by one- to two-story structures with an underlying Industrial Zone and a CDD/Coordinated Development District #24 overlay, with operating businesses such as a gas station, storage, and auto repair. Existing buildings are surrounded by wide paved areas for vehicular circulation and parking. The site is slated to begin demolition and construction within the next few months. After redevelopment, the Healthplex will be surrounded primarily by multi-family uses with a self-storage use to the immediate west and a gas station to the south.

Figure 1: Parcel 708, known as Block A in the Oakville Triangle Small Area Plan. Portion A1 in the north, shown with the crosshatch. Portion A2 in the south.

BACKGROUND

In December 2020, City Council approved Master Plan Amendment #2020-0003, CDD Concept Plan Amendment #2020-0003 and Zoning Text Amendment #ZA2020-0006 to facilitate the location of the Inova Healthplex within the Oakville Triangle Small Area Plan area. Amendments to the Master Plan included changes to the mix and of permitted uses, to include medical care facilities, updates to building heights, an amendment to the framework streets and an amendment to the location of open spaces. The CDD Concept Plan was updated to reflect applicable changes from the Master Plan. The Zoning Text Amendment added medical care facilities as a permitted use in CDD #24.

In January 2021, City Council approved a Development Site Plan DSP #2020-00031, Subdivision #2020-0007 and Vacation #2020-0005 which allowed for the construction of sitewide infrastructure, roads, and sidewalks in Oakville Triangle, along with the necessary subdivisions and consolidations to create parcels for each block, consistent with the Master Plan Amendment. Vacation #2020-0005 vacated a portion of public right-of-way on Oakville Street to create the roadway.

City Council also approved two Development Special Use Permits in January 2021 to permit the construction of the structures on Parcel 708. Development Special Use Permit #2020-10028 permitted the construction of an approximately 419,000 square foot multi-family building with 324 residential units and two levels of underground parking, known as A1. In conjunction with the approvals for the A1 building, City Council approved Development Special Use Permit #2020-10031 to construct an approximately 93,000 square foot Healthplex which would be built upon the parking garage podium of DSUP #2020-10028 (A1 Building)

PROPOSAL

The applicant requests approval of two encroachments into the public right-of-way to provide signage for the Inova Healthplex building. Both encroachments are proposed for the intersection of Richmond Highway and Fannon Street and would provide locations for pedestrian and vehicular signage (Figures 2-4).

- Encroachment “A” is for an area of 24 square feet, with a length of four feet along Richmond Highway and six feet along Fannon Street.
- Encroachment “B” is for an area of nine square feet, with a length of three feet along Richmond Highway and three feet along Fannon Street.

If the encroachments are approved, both signs would be installed in an area of grass between the curb along Fannon Street to the south and the sidewalk to the north.

The sign designs are featured in a companion Special Use Permit request (SUP #2021-00061) for a waiver of sign requirements per Section 9-103(D) for City Council to review at its September 2021 hearing.

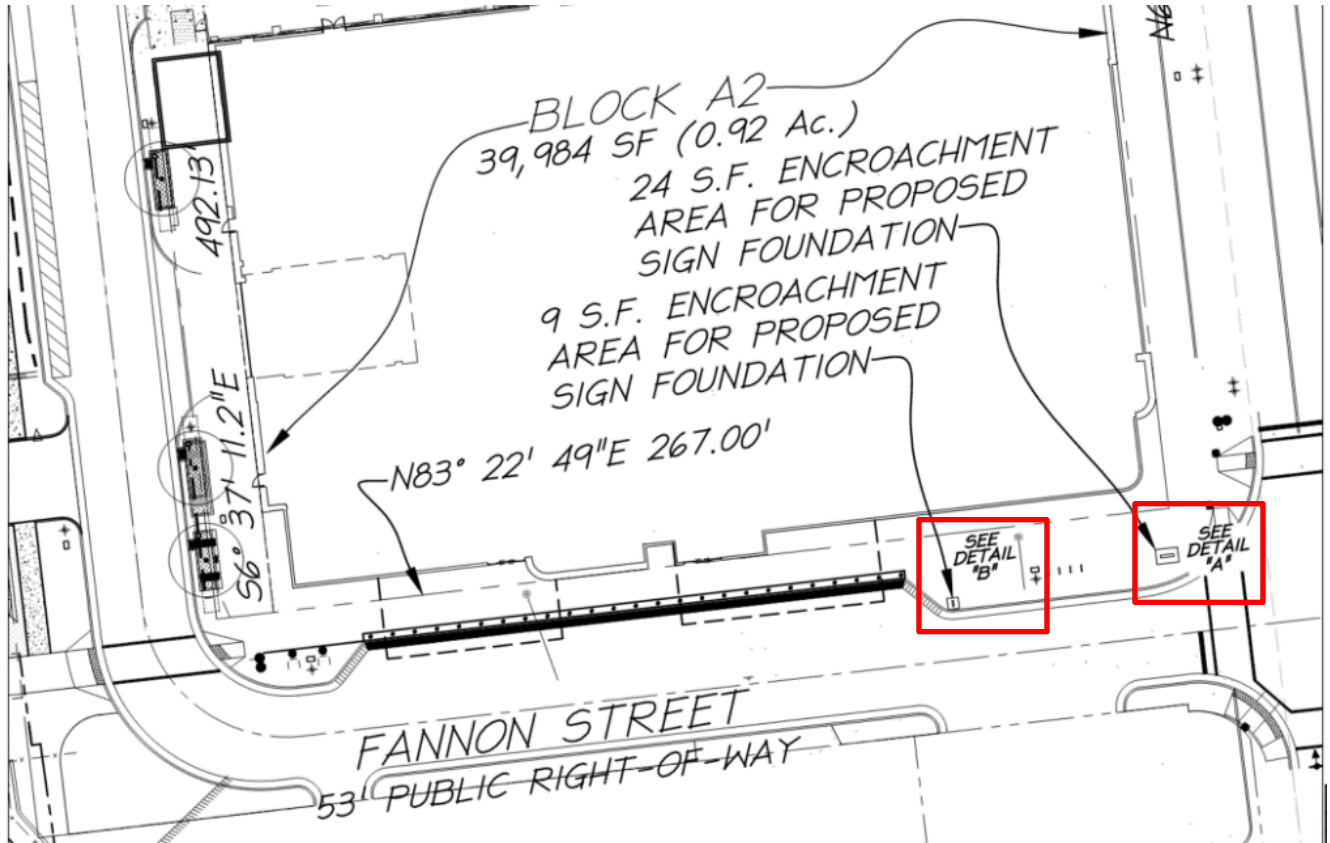

Figure 2: Plat showing areas of Encroachment outlined in red.

Figure 4: Enlargement of Detail B, showing encroachment area of approximately 9 square feet with potential sign within the area of encroachment.

ZONING/MASTER PLAN DESIGNATION

The subject property is in CDD #24/Coordinated Development District #24. The Healthplex use is consistent with the Oakville Triangle/Route 1 Corridor Small Area Plan.

VALUE OF ENCROACHMENT

Section 3-2-85 of the City Code defines the annual charge for commercial encroachments to be the equivalent of what would be the real estate tax upon the land being encroached if it were owned by the owner of the encroaching property. The Department of Real Estate Assessments has valued the land rights area in question of \$109.20 per square-foot, a combined encroachment area of 33 square feet (24 square feet + 9 square feet), and the 2021 tax rate of \$1.11/\$100 of assessed value, for an annual encroachment fee of **\$40.00**. (See attached Memorandum, dated August 17, 2021).

II. STAFF ANALYSIS

Staff supports the applicant's request for encroachments into the public right-of-way to install signage for the forthcoming Healthplex use. The proposed areas of encroachment allow the installation of signage that will enhance wayfinding information for residents, visitors and emergency services and will not negatively impact the community. Additionally, the areas of encroachment have been reviewed by City Departments to ensure the location of the easements does not negatively impact visibility or impede proposed utilities or easements.

III. RECOMMENDED CONDITIONS

Staff recommends **approval** subject to compliance with all applicable codes and ordinances and the following conditions:

1. The applicant (and his/her successors, if any) must obtain and maintain a policy of general liability insurance in the amounts listed below, with a company authorized to transact business in the Commonwealth of Virginia which will indemnify the applicant (and his/her successors, if any) and the City of Alexandria, as an additional named insured, against all claims, demands, suits, etc., and all costs related thereto, including attorney fees, relating to any bodily injury or property damage which may occur as a result of the granting of this encroachment. (T&ES)
 - a. Bodily injury: \$1,000,000 each occurrence and \$1,000,000 aggregate.
 - b. Property damage: \$1,000,000 each occurrence and \$1,000,000 aggregate.
 - c. Submit the insurance certificate to:

City of Alexandria
T&ES
ATTN: Lalit Sharma
301 King Street, Room 4130

2. Neither the City nor any Private utility company will be held responsible for damage to the private improvements in the public right-of-way during repair, maintenance or replacement of any utilities that may be located within the area of the proposed encroachment. (T&ES)
3. In the event the City shall, in the future, have need for the area of the proposed encroachment, the applicant shall remove any structure that encroached into the public right-of-way, within 60 days, upon notification by the City. (T&ES)
4. The applicant is responsible for replacement and repairs to adjacent public right-of-way, including any areas damaged during construction. (T&ES)
5. The applicant shall bear all cost associated with the removal of any infrastructure installed within the encroachment. (T&ES)

MEMORANDUM

DATE: AUGUST 17, 2021

TO: KARL MORITZ, DIRECTOR
DEPARTMENT OF PLANNING AND ZONING

FROM: WILLIAM BRYAN PAGE SRA, RM, REAL ESTATE ASSESSOR
OFFICE OF REAL ESTATE ASSESSMENTS

SUBJECT: SIGNAGE ENCROACHMENTS OF 24 SQUARE FEET AND 9 SQUARE
FEET AT THE INTERSECTION OF RICHMOND HIGHWAY AND FANNON
STREET, ALEXANDRIA, VIRGINIA 22301

PROJECT: ENCROACHMENT #2021-00005

Per your request, we have reviewed the two proposed signage encroachments at the northwest corner of Richmond Highway and Fannon Street in the City of Alexandria. Both will be part of a proposed 115,000 square-foot Inova Healthplex as part of the 13.5-acre Oakville Triangle redevelopment. In addition to the healthplex facility, other land uses will include 65,000 square feet of retail, 1.6 million square feet of multi-family and 454,000 square feet of residential single-family. Site and infrastructure development has started with the healthplex scheduled to be delivered in late 2023 or early 2024. The entire development is zoned CDD#24.

The encroachments are essentially two poured concrete foundations of 24 square feet and 9 square feet designed to support vertical signage for the healthplex. Neither should pose as an obstacle that would impede pedestrian or vehicular traffic.

The value of the encroachment is determined by the application of **Section 3-2-85** of the City Municipal Code which defines the annual charge for a commercial encroachment to be the equivalent of the annual real estate tax upon the land being encroached if it were owned by the owner or owners of the encroaching property. Based on a 2021 land value rate of \$109.20 per square-foot, a combined encroachment area of 33 square feet (24 square feet + 9 square feet), and the 2021 tax rate of \$1.11/\$100 of assessed value, the indicated annual fee for the encroachment is **\$40.00**.

This analysis does not constitute a fully documented real property appraisal report and should not be purported as such. The analysis is based on the current 2021 per square-foot assessed values of similarly zoned parcels in the immediate area of the subject property and complies with City policies and guidelines.
