Article XI

Indemnification

- (a) For purposes of this Article XI the following definitions shall apply:
- (i) “expenses” include counsel fees, expert witness fees, and costs of investigation, litigation and appeal, as well as any amounts expended in asserting a claim for indemnification;
 - (ii) “liability” means the obligation to pay a judgment, settlement, penalty, fine, or other such obligation;
 - (iii) “legal entity” means a corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise; and
 - (iv) “proceeding” means any threatened, pending, or completed action, suit, proceeding or appeal whether civil, criminal, administrative or investigative and whether formal or informal.
- (b) In every instance in which the Virginia Nonstock Corporation Act, as it exists on the date hereof or may hereafter be amended, permits the limitation or elimination of liability of directors or officers of a corporation to the corporation, the members, directors and officers of the Authority shall not be liable to the Authority.

(c) The Authority shall indemnify any individual who is, was or is threatened to be made a party to a proceeding (including a proceeding by or in the right of the Authority) because such individual is or was a member, director or officer of the Authority or because such individual is or was serving the Authority or any other legal entity in any capacity at the request of the Authority while a member, director or officer of the Authority, against all liabilities and reasonable expenses incurred in the proceeding except such liabilities and expenses as are incurred because of such individual's willful misconduct or knowing violation of the criminal law. Service as a member, director or officer of a legal entity controlled by the Authority shall be deemed service at the request of the Authority. The determination that indemnification under this paragraph (c) is permissible and the evaluation as to the reasonableness of expenses in a specific case shall be made, in the case of a member or director, as provided by law, and in the case of an officer, as provided in Section (d) of this Article; provided, however, that if a majority of the members of the Authority has changed after the date of the alleged conduct giving rise to a claim for indemnification, such determination and evaluation shall, at the option of the person claiming indemnification, be made by special legal counsel agreed upon by the Authority Board and such person. Unless a determination has been made that indemnification is not permissible, the Authority shall make advances and reimbursements for expenses incurred by a member, director or officer in a proceeding upon receipt of an undertaking from such member, director or officer to repay the same if it is ultimately determined that such member, director or officer is not entitled to indemnification. Such undertaking shall be an unlimited, unsecured general obligation of the member, director or officer and shall be accepted without reference to such member's, director's or officer's ability to make repayment. The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that a member, director or officer acted in such a manner as to make such member, director or officer ineligible for indemnification. The Authority is authorized to contract in advance to indemnify and make advances and reimbursements for expenses to any of its members, directors or officers to the same extent provided in this paragraph (c).

(d) The Authority may, to a lesser extent or to the same extent that it is required to provide indemnification and make advances and reimbursements for expenses to its members, directors and officers pursuant to paragraph (c) of this Article, provide indemnification and make advances and reimbursements for expenses to its employees and agents, the members, directors, officers, employees and agents of its subsidiaries and predecessor entities, and any person serving any other legal entity in any capacity at the request of the Authority, and may contract in advance to do so. The determination that indemnification under this paragraph (d) is permissible, the authorization of such indemnification and the evaluation as to the reasonableness of expenses in a specific case shall be made as authorized from time to time by general or specific action of the Authority Board, which action may be taken before or after a claim for indemnification is made, or as otherwise provided by law. No person's rights under paragraph (c) of this Article shall be limited by the provisions of this paragraph (d).

(e) The rights of each person entitled to indemnification under this Article shall inure to the benefit of such person's heirs, executors and administrators. Special legal counsel selected to make determinations under this Article may be counsel for the Authority. Indemnification pursuant to this Article shall not be exclusive of any other right of indemnification to which any person may be entitled, including indemnification pursuant to a valid contract, indemnification by

legal entities other than the Authority and indemnification under policies of insurance purchased and maintained by the Authority or others. However, no person shall be entitled to indemnification by the Authority to the extent such person is indemnified by another, including an insurer. The Authority is authorized to purchase and maintain insurance against any liability it may have under this Article or to protect any of the persons named above against any liability arising from their service to the Authority or any other legal entity at the request of the Authority regardless of the Authority's power to indemnify against such liability. The provisions of this Article shall not be deemed to preclude the Authority from entering into contracts otherwise permitted by law with any individuals or legal entities, including those named above. If any provision of this Article or its application to any person or circumstance is held invalid by a court of competent jurisdiction, the invalidity shall not affect other provisions or applications of this Article, and to this end the provisions of this Article are severable.

(f) No amendment, modification or repeal of this Article shall diminish the rights provided hereunder to any person arising from conduct or events occurring before the adoption of such amendment, modification or repeal.
