Ms. Niebauer,
Looking at BAR #2021-00495, the style of the proposed homes seems to hard and modern. I feel like the builder could use some molding/cornice and maybe take out some of the windows in favor of brick, something that's a little more aligned to some of the historic homes. I'm not an architect, but the style of the proposed homes seems a bit out of place.

Thank you,
Tim
