I currently manage one staff member. USA for UNHCR – The UN Refugee Agency Washington, DC Manager, Mid-Level and Sustainers January 2017 - August 2017 Manager, Sustainers and Telemarketing April 2016 – January 2017 I initiatively managed the organization's monthly donor program (over \$5 million in annual revenue) and took on the mid-level donor program as well (over \$2.5 million in annual revenue.) ## Interests & Experiences

### Statement of Interest/Why You Should Be Appointed

The wide variety of parks and picturesque settings are what I love most about living in Alexandria. Being a Citizen Member of the Beautification Commission will allow me to give back to my community and help ensure that current, future residents, and visitors have a beautiful city to admire. I have personally always had a deep interest in and appreciation of gardening and plant life, but the COVID-19 pandemic has brought to light the importance of spending time in nature is and how this can promote relaxation and wellness. I will be able to contribute to Commission projects using my communication skills, coordination efforts, and project management talents that I've gained from professional experiences. Additionally, my scientific background will bring a scientific and critical problem-solving approach that will be indispensable to the Beautification Commission. Preservation efforts of natural landscapes and practicing sustainable environmental practices is more important than ever with the threat of overdevelopment and climate change. There are a multitude of idyllic places to gather, relax and enjoy Alexandria and I care deeply about preserving these areas.

### **Statement of Interest/Why You Should Be Appointed**

I am a Peabody Award winning television and film producer who grew up in Alexandria and call it home today - living in District II. I care deeply about the city's history and how it's presented. I have spent my career as a documentary and history specials television producer for the C-SPAN networks and other outlets - dedicating to bringing engaging and accurate stories of our nation's past to the present in just as an engaging way as they unfolded as they happened. I have worked with Presidents, First Ladies, members of congress, historians on local and national levels and people across the country to bring stories that make a difference. I have produced documentaries on The White House, Supreme Court, the US Capitol, the United States Senate, Lincoln-Douglass debates, American Presidents, First Ladies, American Writers, Landmark Supreme Court Cases, and countless others. I have produced traveling history shows across the nation covering difficult topics from our past that are extraordinarily relevant today. Particular interest in minority, ethnic and racial history. As a producer for C-SPAN, my storytelling is accurate and brings in all sides of the issue - all sides of the story. For my job have traveled to all 50 states, war zones in Iraq and Afghanistan and considerable other international travel. I am a life long resident of the city - TC Williams '79, I went on to graduate from the College of William and Mary with a degree in Archaeology and Anthropology. I love our city's history and want to make a difference.

**Interests & Experiences****Statement of Interest/Why You Should Be Appointed**

I am new to the Alexandria, VA area, having recently relocated from Sumter, South Carolina. I've spent the last seven years as a public school educator, with six of those years as a middle school history teacher and the last year as my school's curriculum coach. I came to the DMV area for a position with C-SPAN as their Education Resource Specialist, where I design lesson plans for use across the country based on C-SPAN's archived and live video footage. Before my move to the area, I served on the board of two organizations (including Habitat for Humanity and the South Carolina Center for Educator Recruitment, Retention, and Advancement) and was a county council appointed member of the Sumter County Cultural Commission. Suffice to say, I'd like to pick up where I left off for my move and serve to help make my new home the best it can be. I feel that my historical knowledge and experience as a teacher will prove useful for this commission, as will my experience in board positions. Thank you for your consideration.

As president of the Preston Condominium Unit Owners Association, located at 181 E. We are very interested in engaging with the City of Alexandria through the ongoing construction on behalf of our building and our neighbors in Potomac Yard and Del Ray, and I would appreciate being considered for the opportunity.

## Interests & Experiences

### Statement of Interest/Why You Should Be Appointed

I have been fortunate to have had wonderfully unique experiences as a Naval Officer, veteran, military spouse, educator, and financial counselor; my family's life has been oriented around service since college. Most significantly, I am the mother of three adopted foster children, and have not only had spectacular experiences with Social Services in Virginia, but have seen first hand the value and importance of the Social Services system - our family exists because of the dedication, professionalism and insight of many social workers. Now that our children are independent (and out of the house!) I would truly appreciate the opportunity to continue to serve the system that has done so much for us. I hope that my life experience, professional experience, and inclination to service could help to assist our fellow citizens when they need our help the most.

### **Statement of Interest/Why You Should Be Appointed**

I am currently a member and Chair of the Waterfront Commission and I seek the support of the Mayor and Council to serve another two year term. I have been honored to serve four consecutive terms on the Commission representing those east of Washington Street and north of King street. I bring extensive experience to the Commission having dealt with all the waterfront issues associated with the Council approved Waterfront and Olin plans requiring Commission attention and advising Council on potential solutions. I am deeply involved in the waterfront area, as I live in the Torpedo Factory Condominiums and have in the past had a boat slip in the City Marina. I was also one of the negotiators in the agreement reached between the City and the Old Dominion Boat Club which ended decades of litigation and resulted in the building of the New Boat Club at the end of Prince Street and the establishment of the extended King Street park. Because I live in the Waterfront Area, socialize locally I have a keen interest in the implementation of the waterfront plan and all activities that impact it.

## Interests & Experiences

### Statement of Interest/Why You Should Be Appointed

I am a resident who lives one block from the river at Founders Park and therefor a stakeholder in what happens along the river. I became a member of FPCA (Founders Park Community Association) soon after moving to Alexandria. I have been very active in the stewardship of " the grove", a garden within the park. I have been a member of the Torpedo Factory as an artist at the Printmakers Inc. for my first year ( 2016-17). I am also an active member of Potomac Riverkeeper Network, seasonally testing the water quality in Alexandria. I care about the fiscal, livable and environmental well being of my adopted city. I am retired and have the time, energy and interest to listen to proposals for productive change in the fabric of the city and will share information with the FPCA members as well as getting their perspectives before weighing in at any meetings.
