City of Alexandria, Virginia

MEMORANDUM

DATE: JUNE 15, 2018

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

FROM: MARK B. JINKS, CITY MANAGER /s/

DOCKET TITLE:
Public Hearing, Second Reading and Passage of an Ordinance to Make Appropriations for the Support of the City Government for Fiscal Year 2019. [ROLL-CALL VOTE]

ISSUE: Consideration of an Appropriation Ordinance to make appropriations for the support of the government of the City of Alexandria, Virginia, for the Fiscal Year (FY) 2019.

RECOMMENDATION: That City Council hold a public hearing and adopt the Appropriations Ordinance for Fiscal Year 2019 on Saturday, June 23, 2018.

DISCUSSION: On May 3, 2018, City Council adopted the FY 2019 Budget and adopted an ordinance setting the City's real property and personal property tax rate for calendar year (CY) 2017. In accordance with sections 6.07 and 6.14 of the City Charter, an annual ordinance is also required to appropriate the Approved Operating and Capital Budgets. This ordinance contains the appropriation of the Adopted Operating Budget, the reappropriation of expected encumbrances, and an appropriation from the Special Revenue Fund for new grants. This ordinance also reflects the final budget of the Alexandria City Public Schools (ACPS), which is set for adoption by the School Board on June 7, 2018. Any changes or amendments adopted by the School Board will be brought to City Council for appropriation in the Fall. The ordinance reflects the add-delete decisions of the School Board, which took into

account City Council's approved operating budget transfer of $223,829,302 and changes in ACPS revenue estimates at the State, Federal and local level.

ADOPTED OPERATING BUDGET: Sections 1 through 9 of the attached proposed appropriations ordinance legally establishes the revenues and expenditures of the FY 2019 budget. As detailed in Section 7 of the attached ordinance, a significant portion of the General Fund's revenues are transferred to other funds and component units, principally to finance operations of the Alexandria City Public Schools. In addition, the total expenditure appropriation is reduced by the amount of these transfers (referred to as "Interfund Transfers") to eliminate double counting and accurately reflect the aggregate expenditure appropriations. Table I, which is attached to the ordinance, provides the detailed breakdown for all funds for each department and component unit. Table II, which is also attached to the ordinance, provides the detailed revenue estimate for all funds by the major sources of revenue. Both tables reflect expenditures and revenues net of Interfund Transfers. The total appropriation of $1,438,343,309, net of $373,528,790 in Interfund Transfers equals $1,064,814,519.

REAPPROPRIATION OF PROJECTED ENCUMBRANCES: Section 10 of the attached proposed appropriation ordinance reappropriates monies authorized and expected to be obligated in FY 2018 but not expected to be expended as of June 30, 2018. By City Charter, all appropriations lapse at the end of the fiscal year. When budgeted goods and services are ordered prior to the end of one fiscal year but not delivered until the next fiscal year, monies need to be reappropriated to cover the expenditures paid in the current fiscal year. As introduced in 2006, encumbrances are now authorized based on estimates of preliminary encumbrances. The actual encumbrance amount that is carried over from FY 2018 into FY 2019 may be lower than this amount. The final encumbrance amount that is carried over into FY 2019 will be reduced to reflect actual authorized encumbrances.

FISCAL IMPACT: This ordinance authorizes the receipt and expenditure of $1,448,500,309 for FY 2019 in the following sections $1,438,343,309 in Sections 1 through 9 and $10,157,000 in Section 10):

The reappropriation of $10,157,000 of General Fund Balance as the maximum monies estimated to be encumbered as of June 30, 2018.
