City of Alexandria, Virginia

MEMORANDUM

DATE: JANUARY 16, 2019
TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL
FROM: MARK B. JINKS, CITY MANAGER /s/

DOCKET TITLE:

Consideration of the Appointment of a Management Representative Alternate to the City of Alexandria Supplemental Retirement Board and Firefighters and Police Officers Pension Board.

ISSUE: Appointment of a Management Representative Alternate to the City of Alexandria Firefighters and Police Officers Pension Board (“Fire & Police Board”) and Appointment of a Management Representative Alternate to the Retirement Board of the City of Alexandria Supplemental Retirement Plan (“Supplemental Board”).

RECOMMENDATION: That City Council appoint Philip Pugh, Property Maintenance Code Division Chief, Department of Code Administration as a Management Representative Alternate to the City of Alexandria Firefighters and Police Officers Pension Board and the Supplemental Retirement Board.

BACKGROUND: The Firefighter & Police Officers Pension Board consists of eight representatives and three alternates. The Supplemental Board consists of eight representatives and five alternates. Both Boards serve as

the trustees and fiduciaries of their respective plans and assets. Both Boards act for the City on matters concerning the Plan's assets, including selecting and monitoring investment funds and appointing investment managers, custodians, and advisors. Both Boards are also charged with consulting with City management to recommend modifications to the Plan. Both Plans require board meetings to be held quarterly, but meetings are generally held more often. With overlapping investments both boards meet together with some frequency, hence the overlapping membership.

DISCUSSION: City Council has the authority to appoint Firefighter & Police Officers Pension Board representatives. The board representatives are either nominated by the City Manager or management elected by the Voting Participants, which include active sworn Firefighters and Police Officers as well as retired and deferred vested plan participants who were sworn Firefighters or Police Officers. The City Manager nominates four Management Representatives and one Management Alternate to act on behalf of City management. Firefighters nominate and elect through secret ballot two Participant Representatives and one Alternate. Police Officers also nominate and elect through secret ballot two Participant Representatives and one Alternate. In the event that City Council does not appoint a representative nominated by the City Manager or the Voting Participants, the nomination and election process must be repeated until all board member positions are filled.

City Council has the authority to appoint Supplemental Retirement Board members. The members are either nominated by the City Manager or elected by the Supplemental Board trustees. The City Manager nominates four Management Representatives and one Management Alternate Representative to act on behalf of City management. The Supplemental Board Employee Representatives include: two General Schedule Employees, one Deputy Sheriff, and one Medic/Fire Marshal. Each Employee Representative has an Alternate Employee Representative. The employee representatives are elected by secret ballot votes from existing board members. In the event that City Council does not appoint a representative nominated by the City Manager or the Board trustees, the nomination process must be repeated until all Board member positions are filled.
