City of Alexandria, Virginia

MEMORANDUM

DATE: JUNE 7, 2022

TO: THE HONORABLE MAYOR AND MEMBERS OF CITY COUNCIL

THROUGH: JAMES F. PARAJON, CITY MANAGER /s/

FROM: JAMES SPENGLER, DIRECTOR, RPCA

DOCKET TITLE:

Consideration of a Grant Renewal to the United States Department of Agriculture (USDA) Child and Adult Food Program for At-Risk After School Snack Program for the FY 2023 School Year Snack Program Sponsored by the Department of Recreation, Parks and Cultural Activities.

ISSUE: Consideration of grant renewal to the United States Department of Agriculture (USDA) Child and Adult Food Program for At-Risk After School Snack Program for the FY 2023 (September 2022 through June 2023) school year snack program sponsored by the Department of Recreation, Parks and Cultural Activities.

RECOMMENDATION: That City Council:

1. Authorize the City Manager to submit an At-Risk After School grant renewal application to the

United States Department of Agriculture for Fiscal Year 2023 (due date September 1, 2022); and

2. Execute all documents that may be required.

BACKGROUND: The Department of Recreation, Parks and Cultural Activities has administered the At-Risk After School Snack Program since FY 2004. The city receives funding from the USDA to provide after school snacks to the City's after school recreation programs. The Department contracts with the Alexandria City Public Schools Nutrition Service to provide the snacks for the program locations.

Alexandria will receive FY 2023 renewal funding for its At-Risk After School Snack Program. The level of funding for FY 2023 is \$300,000 which is reimbursed to the city by the USDA Child and Adult Care Food Program (CACFP). A renewal application is required and submitted to the Virginia Department of Education (VDOE) which is the administering agency. These funds will continue to provide nutritious after school snacks and suppers to participants in the RPCA Power-On Program at Charles Barrett, Charles Houston, Leonard Armstrong, Mt. Vernon, Patrick Henry, and William Ramsay Recreation Centers; LINK Club programs at Ferdinand T. Day, Hammond and George Washington Middle Schools; the school-based Power-On Programs at MacArthur and John Adams; and the Youth Achieving Greatness and Therapeutic Recreation Programs at Nannie J. Lee Recreation Center during the 2022 to 2023 school year.

RENEWAL GRANT PERIOD: October 1, 2022, to September 30, 2023.

FISCAL IMPACT: The meals must be served free of charge in order to receive reimbursement from USDA. There is no requirement for the City to provide either cash or an in-kind match for this program. However, the City is responsible for the normal administrative costs associated with this grant. These costs include financial and reporting oversight provided by the administering agency (Department of Recreation, Parks and Cultural Activities), as well as by the Office of Management and Budget and by the Finance Department.
