

DISCUSSION: The Alexandria Commission on Information Technology, pursuant to City Code Section 2-4-112, is comprised of 15 members appointed by city council, including “one student representing T.C. Williams High School, recommended by the faculty.” In 2021, the name of T.C. Williams High School was changed to Alexandria City High School. The proposed ordinance removes the name “T.C. Williams” from City Code Section 2-4-112(b)(7) and amends the section to “one student representing Alexandria City High School, recommended by the faculty”, thus reflecting the school’s current name.

The City Council is empowered, pursuant to Section 3.04(g) of the Alexandria City Charter, to amend this section of the city code governing the composition of the task force.

FISCAL IMPACT: There would be no fiscal impact associated with this ordinance change.
