

Members of City Council and staff are participating either in-person or from remote locations (under the electronic meeting policy). This will give the public the ability to provide public comment to City Council through a video conference call on Zoom or in-person. The meetings can be accessed by the public in the City Council Chamber, through the live broadcast on the government channel 70, streaming on the City's website, and can be accessed via Zoom.

Please Note: Staff is now going to reference the official City Calendar that is on the City's website in this docket item so that City Council will be reviewing the official calendar. Staff will provide a list of the City Council meetings from that calendar for Council's review and approval at each legislative meeting placed on the look ahead schedule. The full calendar can be reviewed on the City's main webpage, and the City Council filtered calendar on the City Council's webpage.
