BACKGROUND: The Department of Recreation, Parks and Cultural Activities has administered the At-Risk After School Snack Program since FY 2004. The Department contracts with the Alexandria City Public Schools Food and Nutrition Service to provide the snacks for the programs.

Alexandria will receive FY 2016 renewal funding for its At-Risk After School Snack Program. The level of funding for FY 2016 is \$122,000 which is reimbursed to the City by the USDA. A renewal application is required for this federal fiscal year for the Virginia Child and Adult Care Food Program (CACFP) to the Virginia Department of Health (VDH) state agency administration. These funds will continue to provide nutritious after school snacks to participants in the RPCA Power-On, Power-Up and Therapeutic Recreation Program at seven (7) full time recreation centers, three (3) part-time after school centers and two (2) therapeutic

recreation after school programs during the 2015-16 school year.

RENEWAL GRANT PERIOD: October 1, 2015 to September 30, 2016.

FISCAL IMPACT: The meals must be served free of charge in order to receive reimbursement from USDA. There is no requirement for the City to provide either cash or an in-kind match for this program. However, the City is responsible for the normal administrative costs associated with this grant. These costs include financial and reporting oversight provided by the administering agency (Department of Recreation, Parks and Cultural Activities), as well as by the Office of Management and Budget and by the Finance Department.
